

Interaction with brothers and sisters!

Many AMICUS brothers and sisters visited Kindergarten in January.

G4 Ao, (K2 Kou's brother) researched for one year and made a presentation about parasite (寄生虫) that live with praying mantis. Kinder friends listened well and asked questions after his presentation. He did a great job!

G2 Kaito gave Kinder friends some beetle larvae and taught us how to clean up their cages.

Now, K2 friends have the duty to clean up the beetle's cage once a week. They enjoy taking care and cleaning them up.

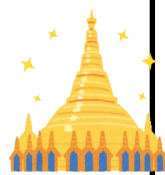

JH students read books to kinder friends. G5 and G6 students also read books for them, made crafts and danced together!!

Presentations about other countries

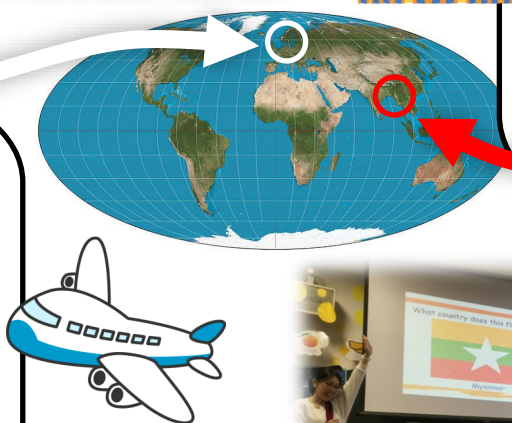

AMICUS teachers visited other countries during winter break and made presentations for us.

Ms. Webb, Mr. Akiho and Ms. Sawako visited Myanmar and communicated with many people. They shared with us their experiences there. Thus, Kinder friends were interested in their culture. Many friends said, "I want to go to Myanmar".

Finland

Seven AMICUS teachers from EL and JH went to Finland to see Santa Claus in Santa village. They delivered the message cards that Kinder friends wrote to him.

Muchi Making and Marathon

Muchi was so delicious!

Unfortunately, it rained on that day so we had another Marathon event on 30th. Everyone did good job!

Time flies by so fast and we only have few more weeks before this school year to finish. All the children have been working very hard every day for our last performance. We know all of us are busy but please help your child make his/her costume. They have been looking forward to wearing their costumes. We would like to ask everyone to bring their costumes to school by Wednesday, February 12th, 2020. We hope to see everyone on our performance day!

今年度の園生活も残りわずかとなりました。子どもたちは、1年間を締めくくる最後のパフォーマンスへ向けて、毎日練習に取り組んでいます。保護者の皆様も忙しい中、衣装作り有難うございます。衣装は2月12日(水曜日)までに園児に待たせてください。子どもたちは皆、手作りの衣装を着てパフォーマンスする日を指折り数えて楽しみにしています。

Eiken Jr.(K2)

K2 children will have Eiken Jr. in February. This is to know how much their English levels are growing so far, so they do not need to practice for this.

K2の子どもたちは2月中に英検Jr.を受検します。現時点でどれくらい英語が身についているかを知るためのものですので、特に練習等していただく必要はありません。
