

## K1's on-going activity

They are learning sea animals names in English.  
They also learned different colors and started reading "I see a color fish."

## Literacy

## Art

## Math

They had fishing activity and counted how many fishes they got from 1-10 in English.

## SEA ANIMALS

## Science

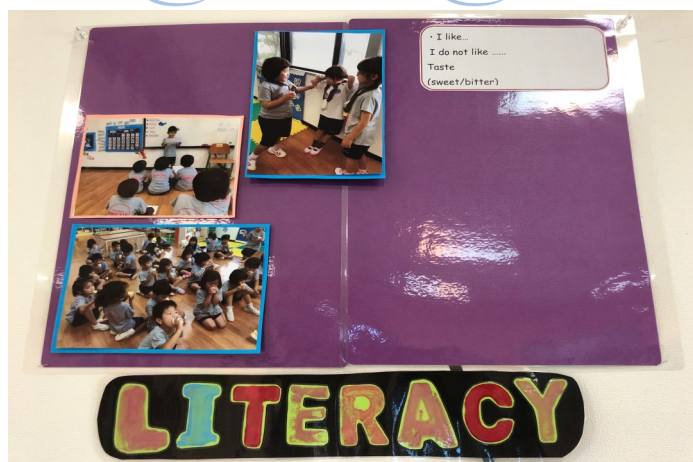

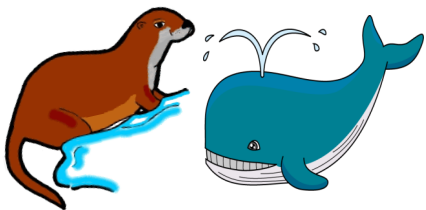

They learned which animals are living in the ocean.

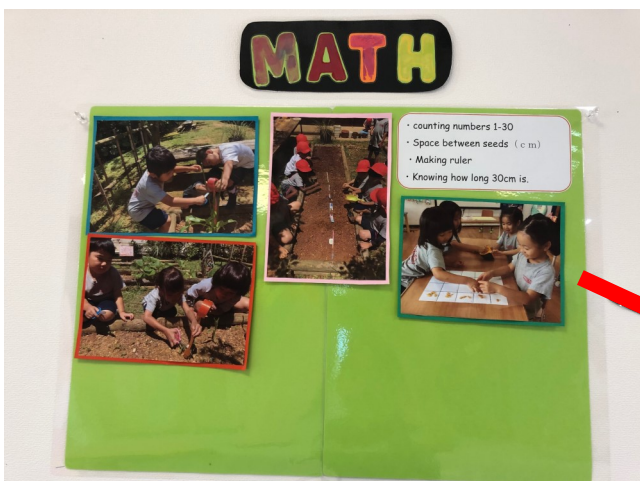

## K2's on-going activity

They are using English sentences.

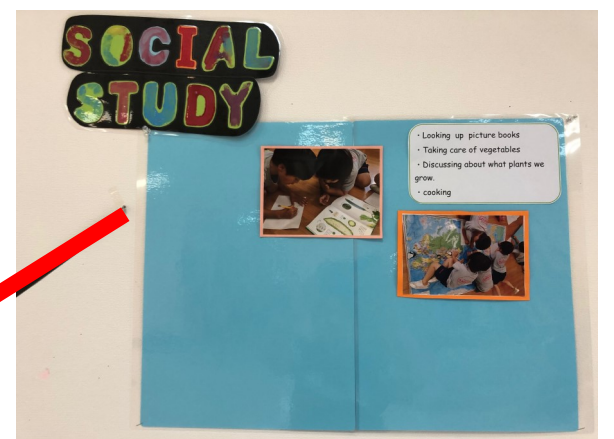

"What do you like?"

"I like \_\_\_\_\_ ."

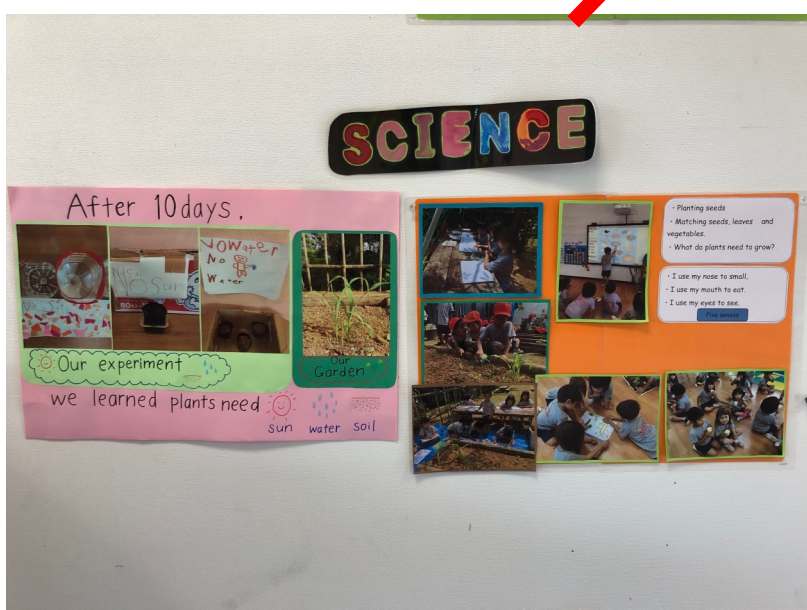

They are measuring how long are the plants growing.

### PLANTS

Where did each vegetable come from?

They experimented the needs of the plant to grow. They also started their research about each vegetable that they planted.

They are observing and drawing their growing plants.

# SWIMMING TIME!

## K1

## K2

Our Kindergarteners went to Gushikawa Swimming Center for their 2-day swimming experience. They had fun in the water and look forward for more waterplay activities in the future.

### Requests:

- Kindergarteners love playing outside and catching insects. However, since it is almost summer, we would like to remind everyone to bring extra clothes and hat everyday.
- 子どもたちは暑い中でも汗だくになりながら外遊びを楽しんでいます。毎日、お着替え(2着)と帽子を忘れずに持たせてください。
- For everyone's health and safety purposes, we don't allow students to bring their medicine in school. If you have any concern regarding this matter, please call us in Kinder.
- 幼稚園では薬の投与は致しかねます。

### Announcement:

- For security purposes, the front door Kindergarten is being locked from 8:30 -15:15. In cases that you are coming late with your child or going to pick them up earlier, please call us so we can open the door for you.
- 幼稚園の玄関ドアは、安全管理のため、午前8:30～午後15:15の間、鍵をかけることになりました。

尚、8:30以降の登園又は、早めのお迎えの際は、お手数をおかけしますが、園までお電話ください。  
お手数をおかけしますが、よろしくお願いします。
